OFFICE OF THE DEAN SCHOOL OF AGRICULTURAL SCIENCES AND NATURAL RESOURCES
THE LIPTON TEA INNOVATION AND TECHNOLOGY ACADEMY (LTITA)
INTERNAL MEMO

FROM: COORDINATOR LTITA

DATE: 20TH MARCH 2024

TO: ALL STAFF & STUDENTS

REF: UOK/SASNR/LTITA/95/VOL.1/003

SUBJECT:LIPTON TEA INNOVATION AND TECHNOLOGY ACADEMY

The above subject matter refers.

Lipton Tea Innovation and Technology Academy (LTITA) is a training and research institution jointly initiated by Lipton Teas and Infusions and the University of Kabianga (UoK) through the Ministry of Education and its agenda is being coordinated by the School of Agricultural Sciences and Natural Resources.

The LTITA main goal is to promote the production of high end tea and tea products through use of advanced technologies. Currently, the Academy is in the process of developing curricula for various programmes (Short courses, certificates, Diplomas and Degrees). The training and research will cover but not limited to tea science, data science, gender and entrepreneurship.

The Academy invites staff and students who are interested to visit its offices located at LTB 1 ground floor for more information.

Thank you.
